

RISE

Direct Primary Care

Over 1600 DPC providers are serving patients nationwide, up from 100 in 2014. - dpcare.org

DIRECT PRIMARY CARE The Future of Healthcare

Leading you to better health

The DPC Model

Direct Primary Care (DPC) is a membership-based primary healthcare model that cuts out the middleman, the insurance, saving you time and money on your healthcare. With affordable monthly membership fees, individuals, families and employers benefit from transparent, and unlimited access to their primary care doctor.
